Heartwarming story!

By Armchair Interviews

When a beautiful cardinal falls from a branch of a newly planted apple tree and is trapped in deep snow on Christmas Eve, Nicholas and his grandfather retrieve the cardinal and care for it until it's strong enough to fly. Grandfather Santos is from Mexico and he talks to Nicholas about the cardinals from his home. When Nicholas is an adult and his grandfather is long gone, each Christmas Eve the branches of the apple tree are filled with a grand surprise.

Christmas Eve Blizzard is a lovely story of a grandfather sharing his past and a child who puts the welfare of a bird before his own. The illustrations are beautiful and children will long to touch the pictures.

At the back of the book is a "Creative Minds" section and it is filled with information about bird trivia, what to do if you find an injured bird, how to make a bird feeder, etc. Recommended for ages 4-8.

Armchair Interviews says: Parents--read the book and then pick an activity to do with your children. It will be entertaining and educational. And most importantly, you will be having a great time together

Christmas Eve Blizzard

By Shirley Labusier

This story unfolds as Nicholas and his grandpa are looking out the window at an apple tree they planted seven months ago. Nicholas is concerned that it is not strong enough to withstand the first snow of this Christmas season. Nicholas refers to his grandpa as Abuelo (grandpa). Abuelo assures Nicholas that the tree

was well planted and will survive for years to come.

As he looks out the window Nicholas sees a red bird tumble off an apple branch onto a high drift of snow. Hurriedly putting on his coat, boots, hat and two scarves, he runs out into the storm. With the snow pelting his face, he pushes forward one step at a time. The bird is not moving and is almost covered with snow. He quickly wraps the cold bird in his extra scarf and hurries back to the house.

"I should be very angry, for going out in the blizzard," said grandpa. "Muy enojado, for going out in this blizzard." "Pequeno pajarito pobre- poor little bird." Grandpa builds a temporary cage for the cardinal, and Nichols adds a bowl of water and some seed. Grandpa tells Nicholas that his grandfather used to say, "When you do a good thing, good will come back to you."

The next morning the cardinal was hopping around in his cage and trying to fly out. It's time to release the bird so he can find his way home. "Merry Christmas," Nicholas whispers as the cardinal flies away. Years later people come from miles around to marvel at the wonder of Nicholas' apple tree, for every Christmas the branches are covered not with apples but with bright red cardinals.

Introduce your child to a few Spanish words while teaching him/her that good deeds are rewarded.

A Lovely Book That Evokes Feelings of Nostalgia

By Catherine M. Ipcizade

There are certain books that evoke emotion in us. Usually, it's because of nostalgia. We associate certain things with various times in our lives. When I happened to stumble upon Christmas Eve Blizzard, by Andrea Vlahakis, I felt a surge of nostalgia, for my own childhood, my own discoveries, and my own relationships with nature and with my grandparents.

Christmas Eve Blizzard is a beautifully written book. The messages in the book are appropriate for all ages. The illustrations, by Emanuel Schongut, delicately portray the harsh conditions of the storm and tell the tale in pictures as effectively as it is told in words.

Additionally, this book contains various phrases in Spanish. Nicholas refers to his grandpa as "abuelo," and they each intermingle a few Spanish words within the text. The words and phrases are identified within the book and are also included in a glossary in the back of the book.

The thing that makes Sylvan Dell books so unique is that they each contain a Creative Minds section in the back of the book. For educators, this information provides a wealth of classroom activity ideas. For moms and dads, this information is a great way to expand your child's knowledge and to learn various crafts you can do at home to teach your child about birds.

This is the perfect read-aloud book during the holidays or any time of year.
