Inspiring

By A Customer

Finding good information on ways to unleash creativity in a spiritual context is easy. Finding a way to sell creativity to businesses is another thing. I particularly liked the way the book encourages you to customize your own training program. In my business I work with a very diverse group of people and businesses which demands that my program also be diverse. I highly recommend this sourcebook.

Why oh Why didn't I read this sooner!

By A Customer

This book is an excellent resource for developing a creativity program. I enjoyed the structure and the examples offered by this fine text. You can rely on this book for information on other resources within the business creativity context.
