That indomitable spirit of the Danes!

By Customer

What a marvelous people and well written book! I lost myself and track of time by the end of the first page. Well paced and exciting and yet we are speaking of the Danes first nonviolent meeting with the conquering Nazis, or so it appeared. A gripping tale of the most skilful " stirring. of the pot ", talented, brave, and ultimately, victorious people who refused to surrender their fellow Jewish Danes. Nicely done.
