# GORDON RAMSAY 3 STAR CHEF BY GORDON RAMSAY PDF

Gordon Ramsay has become almost more famous for his award-winning TV shows than for his expertise as an award-winning chef and restaurateur. However, at the heart of his talent is a passion for good food and an eye for perfection that has consistently seen him receive three coveted Michelin stars. He has been called the best chef of his generation, and this book sees Gordon running a three star kitchen and producing food often described as 'sublime'. Getting right to the heart of why Gordon is such a celebrated chef, the first part of the book shows 50 classic Gordon Ramsay recipes presented as they would be in one of his restaurants. The second part of the book shows the dishes presented in a domestic situation with full recipes and step-by-step instructions to recreate them yourself. Dishes include Gordon's signature Lobster Ravioli, Corn Reared Beef Fillet with Marrow Crust, Ginger Mousse and a Bitter Chocolate Cylinder with Coffee Granite.

Book for the aspiring chef

By Patrick Marriott

It was informational, I figured it would be more elaborate as to the tv series boiling point. Although that was mostly media corrupting it like always. However, any knowledge and wisdom shared in that light is priceless. Thank you for sharing gordon and for those amazing recipes. True gem.

Five Stars

By Robert D. Lyons

Beautiful book

2 of 2 people found the following review helpful.

Wonderful

By AW

This book was given to me as a gift from someone who knew I was a great fan of making a mess in the kitchen and of Gordon Ramsay.

First, the book is beautiful, coffee-table sized and heavy, full of amazing pictures and some accompanying text. In some cases it's Gordon talking about food, in others it's a short biography about his life in kitchens and the skills he's learned, and still others discuss how proper kitchens and restaurants operate. There's a whole culture to the people who craft food that this book only hints at, but the passion comes through.

The last half of the book is filled with recipes and cooking/plating instructions and they're not for the faint of heart. Starters, mains, desserts and more, many requiring exotic or expensive ingredients and creative preparation. But each one is an exciting addition to your kitchen, and personally I really enjoy picking a recipe and challenging myself with it.

I treasure this book, it's displayed proudly in my kitchen. I don't mean to gush, I just really like it.
