A picturebook retelling of an ancient Chinese legend

By Midwest Book Review

The Great Race: The Story of the Chinese Zodiac is a picturebook retelling of an ancient Chinese legend of how their annual calendar came to be. The Jade Emperor decreed a grand race between the animals to determine the order of the years. Thirteen animals raced, but the rat, eager to be first, tricked the unfortunate cat into missing the finish line completely - as a result, the rat and the cat remain worst enemies to this very day! Playful color illustrations by Anne Wilson add an enthusiastic touch to this adventurous narrative, rounded out with fun facts about the Chinese calendar and Chinese astrology.

Good Intro to Chinese Horoscope

By RFN

I purchased this book for use in a Third grade unit on China. I ended up using it with my Kindergarten and First grade social studies classes as well. It's a little wordy in parts for the very young children but can be easily abridged without losing the context of the story.
