HORA CERO (ARCHIVOS NUMA 11) (SPANISH EDITION) BY CLIVE CUSSLER PDF

En la undécima entrega de «Archivos NUMA», la serie de aventuras protagonizada por Kurt Austin y su equipo, el planeta se encuentra en una situación límite. Si la Agencia no tiene éxito en su emocionante misión, podría desencadenarse el fin de la humanidad.

Se conoce como punto cero de energía y no es un mito de la ciencia. Este estado de la energía que se encuentra en la materia y que ofrece posibilidades ilimitadas existe realmente. Son muchos los expertos que han tratado de desentrañar este gran misterio de la física, pero no han tenido éxito... hasta ahora. Un excéntrico científico, que ha sido rechazado y denigrado por la comunidad internacional, parece haber hallado la fórmula. Para vengarse del mundo, y en especial de todos aquellos que lo despreciaron, ha construido dos máquinas capaces de provocar terribles terremotos y crear fisuras en las placas tectónicas.

Desde las llanuras de Australia hasta la virulenta naturaleza de una isla de hielo en el océano Antártico, Kurt Austin, Joe Zavala y el resto del equipo de la NUMA deberán encontrar las dos máquinas que han desencadenado esta situación límite: si no lo hacen pronto, las consecuencias del cambio geológico podrían ser fatales.

Reseñas:

«Los fans de las aventuras de la NUMA lo pasarán en grande con esta nueva entrega.»

Booklist

«Un thriller con dosis inagotables de acción.»
