In this continuation of the Submitting to the Billionaire series, Sara takes on Mark's offer of being his PA. But what will he make her do when they're on a business trip to Paris, and will it be enough to make her regret her decision?

Warning: this 5400 word story contains oral sex, butt plugs, exhibitionism, vibrators and some raunchy, explicit sex.

~~ The following excerpt is for 18+ readers ONLY!! ~~

Sara had no idea what was said, but she figured Mark asked for a private room for a moment, as they were immediately whisked into an empty office, the clerk leaving and closing the door behind him with instructions in French to Mark. Sara really, really hoped the whole meeting wouldn't be in French, because her notes would really suffer if she didn't understand a single word being said. She wouldn't find it hard to keep listening to Mark though, it was really sexy listening to him speak in a foreign language.

"You remember my instructions to you on the plane?" he asked her.

"Yes, I have to take off my blazer when we get in there."

"Well, I have one more instruction." Mark reached into his pocket and pulled out a little silver vibrator. It was the size of an egg, with a switch on the side. Mark flicked it on low. Sara's eyes widened. "Surely not..." was the only thing that came out of her mouth.

Mark came over with the egg and rubbed his fingers along the lips of her labia, finding her hole. He slipped the egg inside of Sara. "You can hang on to this for me too, can't you?" he whispered softly in her ear.

Sara inhaled sharply as the vibrating egg slid into her pussy. The soft vibration of the egg in her pussy started to turn her on, but it was set to a low enough speed that it wasn't going to be enough to bring her to orgasm in a hurry. Sara could only stare at Mark, unbelieving that she was about to go into a meeting with two executives with a vibrator in her pussy. It sounded so loud to her ears she was sure everyone within 20 feet of her would be able to hear what was in her pussy.

"Now, remember, they don't know it's in there, unless you let them know" Mike whispered to her softly, as he took her arm to guide her out of the room.

Paris at anytime.

By Peaches.

Wow. This incorporated slot of erotic phases, bdsm, humiliation, bondage, Dom and submissive and toys. I guess for one hundred thousand dollars a year you would be the submissive. What a job.

Too short

By hunydipd

Although I liked this series it is simply too short for my liking. For the shortness of it the books should only cost .99cents.
