False information!!

By Stephanie K

False information given for this book. This book does NOT contain ALABAMA!!!! Do not order if you

expect to use this to study for Alabama. Also, the book falls apart after opening several times. Good luck trying to return the book and trying to explain to Amazon ALABAMA is NOT in the review book!!! The book and Amazon are both disappointments!

Federal review ok. But too expensive.

By Bob the dinosaur

The federal part seemed ok but was short. I would not pay the money they were asking for the other states I would find a cheaper guide for your specific state. They will usually have the federal included.

One Star

I bought the Pharmacy Law with the idea that Alabama was included in the review but is not.
