## Review

“Readers will commiserate with the characters’ contempt for Valentine’s Day, but these three charming stories will change the hearts of even the most hardened cynics.” (Library Journal)

“One of the best, realistic, gripping, angst-filled, down to earth, and emotional second chance romance to come along in a long time.” (Unwrapping Romance blog)

“Made me laugh, cry, and literally fall in love!” (Candis Terry, author of ANYTHING BUT SWEET)

“A captivating romance that is the perfect read for a day at the beach, a cozy bed late at night, or flying through the sky.” (Library Journal)

“A take-no-crap heroine and a sexy, delicious small town vibe - I loved this book!” (New York Times bestselling author Tessa Bailey)

“Sassy, sexy and sweet, RETURN OF THE BAD GIRL is an absolute must read!” (New York Times bestselling author Monica Murphy)

# RETURN OF THE BAD GIRL BY CODI GARY PDF

Bad girls don't forgive.  
Bad girls don't forget.  
Bad girls don't fall in love.

Caroline Willis may be known for causing trouble, but she is NOT about to become homeless. So when she learns that her perfect apartment has been double-booked—to a dangerously hot bad boy—Caroline's bad-girl reputation comes out in full force. He may be sexy as sin, but she's not afraid of him ... or his panty-melting smile.

Rock Canyon's got room for only one bad attitude—and Gabe Moriarty was here first. Still, starting over means playing it smart, so while sharing his new apartment is less than ideal, it's worth getting his dream business off the ground. Not to mention that it means shacking up with a sexy wild child. Caroline may be giving him the cold shoulder, but Gabe always was good at starting fires ...

Caroline vows to keep things professional with Gabe, but as close quarters begin to ignite the sizzling chemistry between them, she's left wondering: Bad boy plus bad girl equals nothing but trouble ... right?

3.5 Feisty, Sexy, Slow-Burn Filled Stars!

By Lindy@ A Bookish Escape

My Thoughts:

I have been interested in trying out the Rock Canyon Romance Series for a while. I love all of the book covers so much in this series, and think the titles are fun and attention catching. Return Of The Bad Girl is the first book that I have read by Codi Gary. It was a really sweet small town romance that reminded me a lot of Jill Shalvis' writing style.

In Return Of The Bad Girl, we get Caroline and Gabe's story. Caroline is returning to her estranged home in Rock Canyon, Idaho when she is notified that her father recently suffered a heart attack. She hasn't seen her father or her younger sister's, Val and Ellie in over ten years. When she returns to her hometown, we learn that Caroline has quite the colorful past, and has burned bridges along the way. However, she is in Rock Canyon to make amends, reunite with her family, and build a consulting business. Things don't go so well, when she learns that the apartment she had lined up to live in was double booked.

Gabe is excited for his new beginning, and has found the perfect place to open his new bike restoration shop. It is only two hours away from his younger sister, Honey, has a beautiful view, and is the place where his best friend from high school resides. However, things don't go smoothly when he learns that his apartment has become double booked. Therefore, he thinks up the perfect compromise; and convinces Caroline that they should share the apartment, and split rent and utilities down the middle, until one of them decides to move.

Both Caroline and Gabe have suffered greatly. They both have traumatic pasts, large regrets, and are looking for a fresh start. Little by little, we learn the life experiences that shaped Caroline and Gabe into the people that they presently are.

These two had major chemistry and loved pushing each other's buttons. As they got to know one another, they made a home together, and began to fall in love. I enjoyed getting to learn about Caroline's younger sisters, as well as both her and Gabe's good friends. I enjoy stories with a small town setting, and would like to go back in the series, and read all of the secondary character's stories. Return Of The Bad Girl was a sweet and entertaining read that touched on pain, trauma, abuse, redemption, healing, love, and new beginnings.

My Rating:

I give Return Of The Bad Girl, 3.5 Feisty, Sexy, Slow-Burn Filled Stars! If you enjoy realistic characters, some angst, and small town romance, check out this series!

My Favorite Quote:

"I don't care how damaged you are, because I am just as broken, maybe more so." (eARC, Loc. 2417)

~Caroline

A beautiful story of well deserved second chances!

By Catherine

\*\*\*I received this book in exchange for an honest review\*\*\*

Codi brings us back to that rowdy town of Rock Canyon. And this blogger couldn't be more thrilled! And how hot is this cover?!? So, let me start with one of my lists.

- 1) One of my favorite things about this Rock Canyon installment is that each chapter starts with a quote from the always entertaining and widely despised Miss Know It All.
- 2) After falling hard for Chase, Miss Codi has given me another man on a bike to pine after: the tall, dark and handsome Gabe Moriarty. Chase said it best: "Aw, you came all this way for me," Chase said, jokingly clasping his hands to his chest. "Be still my heart. Trust and believe that Chase will not be the only one who is smitten with Mr. Moriarty.
- 3) And finally, there are kittens. I friggin love kittens. Even if Gabe thinks "...they're a couple of cock-blocking fuzzi-buts."
- 4) While getting to know the latest talk of the town, you get to catch up with all of Rock Canyon's most recent love connections, while watching other progress a little more.

In Return of the Bad Girl, Codi flawlessly pens a heart tugging story of second chances. Caroline: ..."She'd burned more bridges before she was eighteen than most people lit up in their entire lifetime." Gabe spent five years in jail for an accident that left his life turned upside down. And finally, Edward Willis had a second chance to mend the broken relationship he had with his daughter, Caroline. And that was no easy feat for stubborn Willis folks. "Really, Caroline, I am trying to control my temper, but your obnoxious attempts to bait me are grating."

Caroline and Gabe are both finding themselves while getting to know each other. While the physical attraction was pretty immediate, I enjoyed how they slowly peeled away layers of their past: the pains, the fears and opened themselves up for something real.

Gabe had himself confused he wasn't good enough; wasn't deserving of love from another person - whether it be his sister, Honey or Caroline. "If she started thinking he was anything but an arrogant dick head, he would only disappoint her. Even at his best, there was too much bad surrounding him to combat the good." Caroline feels her damaged past wouldn't be appealing to any man worth settling down for. A match made in some kind of broken heaven.

"I don't care how damaged you are, because I am just as broken, maybe more so."

Every part of this book was incredible. The tension and snark that lead to the opening up to one another. The sex that lead to amusing lines like this:

"When you said sex with you was a ride, you weren't just whistlin' Dixie."

"Whistlin' Dixie? Who are you, Granny Clampet?"

Finally, to wrap up my review - I must say this is the BEST book from Codi Gary to date. Her writing has matured tremendously since *The Trouble With Sexy*. Codi is an author you want to keep an eye on because she is going places in the world of contemporary romance! (And honestly, anywhere else she and her pen decide to venture.) An easy FIVE contemporary romantic stars from this lady! I cannot for this to hit E-Readers and bookshelves EVERYONE. For now, I suggest you Pre-Order it, Add it to your TBR or Wish List! You will not want to miss this amazing book on it's release: December 30, 2014.

" I liked this book I enjoyed it and I loved Gabe

By andrewsheath

Not sure if it's really jealousy that Caroline is but it sure seems that way, "oh, yeah? So, I have to explain who my guests are, but you can take advantage of drunk girls in your room and I can't say anything?" Okay maybe that's not jealousy but I thought it was I bet she was wishing that she was in Gabe's room. Gabe he's such a gentleman at times letting his girl know about her body parts, "your t\*\*s are going to pop out of that dress if you bend over." Gabe may come off as a total bada\*\* but the boy is sensitive, "you were horny as hell, and I was available. I understand and believe me, I didn't mind." He's also not one for the kittens his girl loves so much, "I think they're a couple of c\*\*\*-blocking fuzzi-butt," Gabe grumbled." Once everything is out in the open we get to see a new Caroline a much bossier one, "she jump him, wrapping her arms and legs around him, trusting him to catch her. He did, of course. "Well, come on. Let's get on with it." I liked this book I enjoyed it and I loved Gabe.
