SURVIVING THE BIKER: MOTORCYCLE CLUB ROMANCE BY CASSIE ALEXANDRA PDF

The story of Adriana and Trevor continues. Will she have the courage to fight for her man, and will Trevor make the right decisions, involving the women in his life?

Also, the war between the Devil's Rangers and the Gold Vipers comes to a climax.

This book is intended for listeners ages 18 or older due to explicit language, sexual situations, and violence.

This is a work of fiction and is not meant to be a true depiction of a motorcycle club. It was written for entertainment only.

Good read, not as good as the 1st book.

By Hellen

I expected so long this book to be released that I finished it in a few hours. First things first, this book needs some editing to be done. Now, let's get back to the task at hand. I really enjoyed to see how the story goes on but it lacked the dialogues between Trevor and Adriana from the first book which had made their chemistry so visible in the first place. I would have like to see them more together and interacting with each other. The suspense and the drama was there but to be honest I was expecting to be more brutal the war between the gangs. I am not disappointed by the book, but neither it took my breath away as the first one. I am really looking forward for the 3rd book because from the way Jordan aka The Judge appeared in both previous books I can tell that we will deal with a sarcastic, intriguing and complex character. Or at least I hope so;)

Meh..

By Tbascoebuzz

Mistaken identity --- kidnapping --- revenge --- murder --- false assumptions and misunderstandings...this second installment had it all and then some. Including improper use of linking verbs, helping verbs and prepositions...wrong characters linked to past history from book #1 (Krystal dies, not Tiffany)...and on it goes. In book #1, Adriana is described with chestnut-brown hair...now her hair is red in this second installment. I don't know about you, but I need a strong, solid visual in order to connect to characters. This second installment lacked that. Extremely fast paced and choppy...from Iowa, to Minnesota, to Hawaii. This

second installment is all over the place and not just geographically. It's the "Hatfields-vs-McCoys" all over again. This storyline didn't flow well and could have easily been included in book #1. It wraps up so quickly that it left me feeling incomplete.

Great Book

By Amazon Customer

I loved the story. Can't wait for the Judge! I do think this book needs some editing. The names were messed up, using Krystal in place of Brandy, and other names were placed as other characters. Sort of confusing. Otherwise this book was a "Never Put Down". Read it in a short few hours.
