Perfect for gift giving!

By Cafe Lily

Perfect for gift giving, this hardcover book is packed with over 400 pages of inspiration, wisdom and

uplifting stories from best selling author and pastor, Max Lucado. The topical index in the back of the book makes it easy to find whatever subject you are interested in. Topics included are salvation, wealth, busyness, comfort, anger, anxiety and many more. This collection of writings was taken from published works that were previously written and sold by the author. The book is a nice size and is easy to take with you; not too bulky, but not quite "pocket" size. This would make a wonderful gift for anyone you know who could use some encouragement.

Didn't Realize it would be so choppy

By Stephanie Ramey

I received this book awhile ago and finally got to it. Reading the summary of the book, I was so excited to read it. Everyone brags on Max Lucado's work, so I had to have this book to review. I opened the book and started reading, the book was not laid out well. There are a bunch of quotes from people, then Max Lucado interjects something and then more quotes. Don't get me wrong the quotes and Max's work is wonderful but for me it didn't flow well. I felt like it was too choppy. This is not a book you could sit down and read from cover to cover, this book is more aimed at someone who wants to read on a certain topic and have another view at whatever they are going through. I don't recommend this to anyone wanting a good, page turning book but it is good for someone who needs a deeper understanding of the topics.

Book Review: The Lucado Inspirational Reader Hope and Encouragement for Your Everyday Life, by Max Lucado

By My Bits and Bleeps

The Lucado Inspirational Reader, by Max Lucado is another fantastic Lucado book. Not that I would expect any less. This book is a compilation of his best quotes and anecdotes, found in 25+ of his previous books. There are 27 chapters, and each chapter focuses on a topic.

It's not surprising to discover that this book is truly inspirational ... aren't all Lucado books? Lucado is a phenomenal writer that effortlessly captures the true essence of inspiration and clearly presents in a lovely package. This book is ready to be given as a gift, with a place for you to enter To/From right at the beginning of the book. It's a beautiful, thick book, with thick pages, and hardbound. The title of the book, suits it perfectly, because in fact it is Inspirational. The book's cover is simple, and subdued, yet inviting.

Lucado's words are powerful, his entries are encouraging, and I would highly recommend this book to anyone. It's ideal for gift-giving too.
