Inspiring

By Big Deal Lucille

This was a quick and involvng read for me. It got me to thinking about changes of all kinds in a more positive light. I would recommend this to anyone going through anything that seems like upheaval--whether it's divorce, job change, etc. It can help you to change your thinking from disaster to great opportunity that was meant to be.

Useful Examples from Life

By Donna Grayson

The best thing about "The Miracle of Change" is reading the real-life stories of people, both celebrities and non-celebrities. Each person talks about Change, how it affects them and how they learn from it. One of the most inspring was Michael J. Fox's story. People from all walks of life talk about their experiences.

This book is a must for anyone going through any changes in their life. It will definately inspire you and give you strength.

Change for everyone

By A Customer

Unanticipated events always confront us to make changes. Things change, so do our priorities and values. "The Miracle of Change" reflects how individuals learn new qualities and new things about them. ...And either flipping the page randomly or selecting a particular topic to read helps the reader gain insights in

applying change appropriately in life.
