TRUST AND TREACHERY (ECHOES OF SOL BOOK 1) BY CHARISSA DUFOUR PDF

When space freighter pilot Calen Macleef accidentally wins Larissa “Bit” Earnest in a lucky hand of poker, his main concern is what his gruff and uncompromising brother Jack will say about it. Jack Macleef is the captain of the ship in a world where space travel has only recently become the norm and space piracy abounds. Painful memories of prior abuse surface for Bit as she finds herself on a freighter full of rowdy, ungentlemanly merchant marines. Jack works to find a safe place for frightened Bit amongst the ungentlemanly crew, but good looks and innocent ways continually charm the men. With tension and danger running high, each begins to wonder: will they survive the pirates... and each other?

GREAT READ

By SD

This story kept my interest and moved along at a fast pace. The characters were well developed and the plot interesting. I really appreciated that this was a clean read. I look forward to the next installment of this series. How about a full length novel? I definitely want more! Well done to Ms. Dufour.
