UNDER THE SHADOW OF THE RISING SUN: INVASION OCCUPATION LIBERATION BY DR. JOSE M. HERNANDEZ PDF

Many books have been written about World War II on the European front but few have focused on the simultaneous events that occurred in the Pacific. This factual narrative was originally written in 1945 but never published. Written by a Filipino patriot who fought alongside U.S. troops against the Japanese war machine in the battle to win back the Philippine Islands. Dr. Jose Maria Hernandez was a scholar, an educator, a writer, and a believer in the democratic freedom of man. He lived first-hand the events related here, from the pre-war period, the expansion of the war to Southeast Asia after the bombing of Pearl Harbor, the Japanese occupation of the Philippines and its long-awaited liberation. This perspective of the war is unique because life at that time was lived and observed by the eyes and mind of a man of the people...this is a recounting of the truth of war as he and his fellow countrymen experienced it.
