WIFE FOR LIFE: THE POWER TO SUCCEED IN MARRIAGE

BY RAMONA ZABRISKIE PDF

In a marketplace full of relationship books that range from clinical to sensational, Ramona Zabriskie's *Wife for Life: The Power to Succeed in Marriage* stands out for its sympathetic, elegant wisdom. Written in a warm, feminine tone, this book masterfully interlaces authoritative voices with personal stories from the author's 37-year marriage as well as her motivational speaking and mentoring career.

Nearly divorced two years after her own wedding, the author has become an advocate and exemplar of marital success for women who want to believe. Her compassion and know-how, uniquely presented in three parts - "Why You Both Want a Grand", "Lifelong Marriage", "How to Avoid Becoming a Dream Breaker, and What to Do to Make Dreams Come True" - is proving transformative. Inspired by new perspective, women from every stage of life and marital status are gaining the skills, confidence, and long-term vision needed to affect their own happiness as well as the ultimate outcome of their marriage. *Wife for Life* has helped women turn troubled marriages around, transform good marriages into great ones, and grow great marriages into grand empires of love that can last forever.

My husband and I LOVE "Wife For Life"!!!

By Vic

My husband saw "Wife For Life" on his Kindle list and asked me if I had ordered it, because he certainly had not. Apparently, it went to all of our Kindle devices, not just my own, when I purchased it. Out of curiosity, he started reading... Now, he's ahead of me in the book and is loving it! He even read to me for half an hour this morning, which is incredibly momentous because he has dyslexia and really doesn't like to read out loud. He got especially animated when he read that Mrs. Zabriskie was going to write a book for men. He asked me if it was out yet. I told him, that since this one had just come out last week, I was pretty sure that she didn't have a new one out just yet!

My husband and I have been married for 20 years and don't have, what either of us would consider, an "at risk" marriage. We decided that we could both easily describe our marriage as "joyfully imperfect". We definitely have room for improvement! We both appreciate the wisdom and insight that Mrs. Zabriskie shares in "Wife For Life" because it is helping us to better understand each other as we move forward with building our "Grand" eternal marriage! Thank you, Mrs. Zabriskie, for sharing your "Dazzle" with the world! My husband and I are both very appreciative of your hard work and talent!

A must read for every woman.

By allfam

I absolutely loved this book. As a marriage and family therapist, I can say that this is the best and most helpful book on marriage that I have ever read. It gives a solid explanation of typical dynamics in marriage and gives specific suggestions on how to improve a marriage relationship. The author gives personal examples of the principles she teaches in the book, which makes the book enjoyable and easy to read. Very few, if any, marriage books lift and inspire like this book does. I would highly recommend it to any married woman or any woman considering marriage. This book has reminded me of why I am happy to be married and inspired me to build an even stronger marriage. This book will change lives.

Book Club Material: Buying (and reading) this book is less expensive than divorce and MUCH more fun

By APass

I'm a newlywed and I am so grateful I made reading this book a priority on my pre-wedding "to do list." It should be required reading for anyone preparing for marriage or was recently married. Zabriskie targets the women who are married to "Nice Guys" as in they are well intentioned, kind, well meaning but far from perfect (just as we are far from perfect). She makes it quite clear that if you are in abusive or harmful relationship that you should seek professional help and that her book is not aimed at this audience. Nevertheless, this book is a relatively inexpensive form of marriage counseling/ therapy and far more fun and rewarding to read this book than to go through a divorce.

One of the strengths of the book is that the author's conversational style is warm and inviting. I appreciate that I felt like Zabriskie was speaking to me as though I were a good friend and we were having a long "girlie chat." Furthermore, I appreciated that while she drew heavily from her personal experiences, she supported her assertions with professional opinions, studies and research. Together her argument is wholly compelling as it appeals to both the emotional and logical aspects of how men and women interact.

I also appreciated Zabriskie's approach in that she offered practical advice so you knew how to apply the ideas she presents in her book. Additionally, as I read the book, I immediately wanted to share it with all my friends so we could discuss it. It is the type of book that would spark a dialogue and could make quite interesting material for a book club. Although I am still new to being a wife, I appreciate this positive, hopeful and inspiring look at how to build a happy, long lasting and successful marriage. We need more material like this in this day and age.
